

Thinking About a Career? Check it Out this Summer at the VA!

As many of you look forward to graduation, and college, you may be wondering what career path you will take, and how you're going to get there. The VA can help you by introducing you to an exciting career while you volunteer and help our United States veterans.

Youth volunteers can start helping out at the VA at the age of 14, all year long. We have placement opportunities in the following areas:

Nursing
Medicine
Surgical Service
Rehabilitation and physical therapy
Clinic operations
Public Relations
Personnel and human resources
Business Office
Food Service
Hospitality, Meeters/Greeters
Escort Service
Accounting
Engineering, construction, plumbing and repair
Architecture
Police and Security, Forensics
Psychology & Psychiatry
Prosthetics
Medical media (computer graphics, photography, videography)
Law
Library, and the Library Ward Cart
Computer Sciences
Building Management
Textile Facility
Gardening, grounds keeping
Research
Laboratory sciences

...the list goes on and on. Make this summer the beginning of your professional career! Work at the VA and discover who you can be...

Call Voluntary Service at the VA Greater Los Angeles (310)268-4350 and ask for Sadie Stewart, Assistant Chief
